# SECTION 2 - INTERNATIONAL PRODUCT HANDLING REQUIREMENTS

## Overview by International Partner

Destination Maternity has four International partners that require special product handling either by our Vendors or by Destination Maternity Distribution Centers in order to be compliant to each International partner's respective country regulations. Please see below International Partner Chart:

INTERNATIONAL PARTNER	COUNTRY
Agabang	South Korea
Multitrend	Middle East
Liverpool	Mexico
H&O	Israel

Unless otherwise instructed Vendors with International Purchase Orders will ship to the following locations:

***FCA/FOB Vendors will ship to our Shanghai, China 3PL:***

**Expeditors BLP Distribution Center**

KE2-1 Warehouse, No. 240 Shen Ya Road  
Waigaoqiao Bonded Logistics Park, Shanghai,  
P.R. China, 200137

***DDP/LDP Vendors will ship to our New Jersey Distribution Center:***

Destination Maternity  
1000 John Galt Way  
Burlington, NJ 08016

Vendors who are unsure of their shipping terms (FCA/FOB or DDP/LDP) must contact the Merchant for Guidance. ***\*In addition to this section, Vendors must be proficient regarding Testing, Labeling, Logistics, Quality and Carton/Packing outlined in VM Sections 7, 8, 9 & 10 to ensure all International Purchase Orders are handled in compliance to all DM requirements.***

# SECTION 2 - INTERNATIONAL PRODUCT HANDLING REQUIREMENTS

## International Purchase Orders

**FCA/FOB Vendors** shipping to our Shanghai, China 3PL and will be issued International Purchase Orders with **I** preceding the PO Number:

*Example: I555176*

**FCA/FOB Vendors** with International Purchase Orders are **NOT REQUIRED** to do any special product handling. The units produced for these International Purchase Orders will be produced identically to the USA Purchase Order. \*All special handling for labeling/ticketing will be handled by our **Shanghai 3PL**:

Product Handling	Vendor Responsibility
Product Testing	No Special Handling (Same as US Purchase Order)
Polybag/Packing/Shipping	
Brand/COO/Size Labels	
Price Ticket / Hangtag	
Care Label	
Importer of Record Label /Hangtag	
Product Inspection for Certificate of Conformity	

**DDP/LDP Vendors** shipping to our New Jersey Distribution Center will be issued International Purchase Orders with a letter preceding the PO Number that identifies the International Partner & Country. See chart below:

INTERNATIONAL PARTNER / COUNTRY	PO Letter Identifier
Agabang / South Korea	<b>A</b> - example: A551988
Multitrend / Middle East-Kuwait	<b>M</b> - example: M588289
Multitrend / Middle East-UAE	<b>T</b> - example: T592569
Multitrend / Middle East-Saudi Arabia	<b>S</b> - example: S551988
Liverpool / Mexico	<b>L</b> - example: L589380
H&O / Israel	<b>H</b> - example: H589196

# SECTION 2 - INTERNATIONAL PRODUCT HANDLING REQUIREMENTS

## Special Handling Requirements

FCA/FOB Vendors with International Purchase Orders shipping to our New Jersey Distribution Center are **REQUIRED** to fulfill special product handling for Liverpool and H&O. Agabang and Multitrend **DO NOT** require special handling by DM Vendors. \*Please note the following regarding Multitrend:

***\*SASO (Saudi Arabia Standards Organization) inspection requirements apply to Multitrend Purchase Orders for Saudi Arabia. Vendors are not required to handle inspection, however should a style fail the inspection Vendors will be alerted and the Saudi Arabia purchase order will be subject to RTV. \*Please Reference SASO Inspection guidance located in Section 7 under Saudi Arabia Requirements.***

### **Liverpool: Mexico**

DDP/LDP Vendors shipping International PO's for Liverpool/Mexico will ship into our NJ Distribution Center and PO's start with an **L**. The units produced for Liverpool will be produced identically as per the USA purchase order units, however there is an Importer of Record label and swing ticket that is mandatory for Mexico and must be handled by DM Vendors. See handling chart below:

<b>Product Handling</b>	<b>Vendor Responsibility</b>
Product Testing	No Special Handling (Same as US Purchase Order)
Polybag/Packing/Shipping	
Brand/COO/Size Labels	
Price Ticket / Hangtag	
Care Label	
Importer of Record Hangtag and/or Label	<b><i>Special Handling Required: Liverpool Importer of Record Label &amp; and/or Swing Ticket required on all garments and belts. *Vendors must follow Mexico Requirements in VM SECTION 7 for detailed guidance.</i></b>
Product Inspection for Certificate of Conformity	N/A

# SECTION 2 - INTERNATIONAL PRODUCT HANDLING REQUIREMENTS

## Special Handling Requirements

### H&O: Israel

DDP/LDP Vendors shipping International PO's for H&O/Israel shipping into our NJ Distribution Center and PO's start with an **H**. The units produced for H&O will be produced identically as per the USA purchase order units, however the price ticket and care label are required to be in Hebrew. Additionally the care label also requires H&O Importer of record information. See handling chart below:

Product Handling	Vendor Responsibility
Product Testing	No Special Handling (Same as US Purchase Order)
Polybag/Packing/Shipping	
Brand/COO/Size Labels	
Price Ticket / Hangtag	<i>Special Handling Required: Price Ticket required in Hebrew Language and have H&amp;O Importer of Record Information. <b>*Vendors must follow Israel Requirements in VM SECTION 7 for guidance.</b></i>
Care Label	<i>Special Handling Required: Care Label required in Hebrew Language. <b>*Vendors must follow Israel Requirements in VM SECTION 7 for detailed guidance.</b></i>
Importer of Record Hangtag and/or Label	<i>*See Above requirement for Price Ticket</i>
Product Inspection for Certificate of Conformity	N/A

***\*Vendors must comply fully with the above special handling or purchase orders for Liverpool and H&O will be rejected for non-compliance. There are no exceptions, and Partners will not re-label any units for typographical errors, missing information, wrong translations or wrong placement.***
