SECTION 5 – ON PRODUCT MARKETING & MANDATED SUPPLIERS

Overview of On Product Marketing Requirements (OPM)

Overview

Destination Maternity Corporation **On Product Marketing** (OPM) in our branded products are the sole responsibility of DM creative and OPM Teams. Vendors may not independently create artwork for Destination Maternity OPM unless authorized in writing by the OPM Team. Destination Maternity has Mandated suppliers who are responsible to ensure the approved artwork that DM creates is available to all Vendors ordering the following DM Branded OPM trims:

- Woven Main Labels
- Woven and color matched country of origin/size Labels
- Marketing hangtags
- Instructions/use hang tags

DM Branded OPM trims required per style will be exhibited in the DeSL system, within the Tech Pack in Vendor BOM Tab:

OPM Trim vs. Standard Trim

Standard trims are also required for DM branded products. Standard Trims are not handled through our mandated Suppliers. Vendors are required to locally source Standard Trims with their own suppliers based on DM Specifications. The following table explains the differences between Branded OPM Trims and Standard Trims:

Branded OPM Trims	Process & Supply Chain Requirements:
<ul style="list-style-type: none"> ■ DM Branded Woven Main Labels ■ DM Branded Woven and color matched country of origin/size Labels ■ DM Branded Marketing hangtags ■ DM Branded Instructions/use hang tags 	<ul style="list-style-type: none"> □ Artwork/layout/specification's created & controlled by DM. □ Artwork images, cost, supplier and details are in Vendor BOM for Vendors to access. □ Vendors may not locally source or approve artwork – the approved artwork resides at DM nominated suppliers. □ Artwork resides in DeSL tech packs in Vendor BOM tab. □ Trim Is ordered directly from DM Mandated Supplier via Suppliers order form or Web portal. □ Trim is produced directly by DM Mandated Supplier.

Standard Trims	Process & Supply Chain Requirements:
<ul style="list-style-type: none"> ■ Non-Branded Care labels ■ DM Branded Heat Seals (Brand/COO/Size) <u>or</u> (Brand/COO/Size/RN/CA/Care Instructions) ■ Non-Branded Price Tickets ■ Non-Branded Warning Hang Tags ■ Non-Branded Marketing hangtags ■ Non-Branded Instructions/use hang tags ■ Non-Branded Leg Size Stickers ■ Non-Branded Tracking labels ■ Non-Branded Polybags 	<ul style="list-style-type: none"> □ Specifications created and controlled by DM. □ Care Label/Warning or Instructions Hangtag & Tracking Label images/specs reside in DeSL Tech Packs, within the Testing Details Tab. □ Polybag image/specs reside in VM Section 10. □ Vendor is required to source and produce with their own <u>local suppliers</u>. □ Does not require artwork approval by DM except for DM Branded Heat Seals. □ Vendor is responsible to maintain integrity of materials and specifications as detailed in VM Sections 7 & 10.

Mandated Suppliers

How to order OPM Trims:

DM OPM Trim Components, including artwork are set up with our Mandated Suppliers and Vendors are required to contact the Mandated Supplier directly when they are ready to order OPM trim.

When ordering from Mandated Suppliers, please note the following best practice:

Initial Engagement: Vendors must reach out prior to ordering trims for the first time and work directly with the supplier including introduction as a DM Vendor, set up in their system, including payment terms. Once this is completed, DM Vendors may begin ordering trims.

- **SML:** All DM Vendors ordering from SML will be required to create an account with SML as they utilize a Web Portal for ordering. Upon initial engagement Vendors will be assigned their own user/password by SML to order DM OPM Trims through the E-Platform. DM will be tracking orders through the SML Portal to ensure Vendors are ordering properly from this DM Mandated Supplier. ****NOTE: The full list of DM approved OPM Trims available at SML is accessible in the Forms Download Link, on the Vendor Manual Dashboard, SECTION 5 FORMS; click on SML Mandated Trims List 2018.***
- **JOINTAK:** All DM Vendors ordering OPM for Jessica Simpson, Jointak will provide the appropriate order form directly to our Vendors upon engagement/request.
- When ordering Vendors must be sure to cross reference the DM material code from the DeSL Tech Pack (Vendor BOM page) for best accuracy when communicating and ordering from our Mandated Suppliers.
- **Vendors are responsible to work directly with DM Mandated Suppliers to guarantee DM Branding and OPM accuracy on all DM products as well as on time delivery of these trim items for production. Any exception to the above requires the review/ approval of the OPM team.**

For questions or help regarding the OPM requirements outlined in this VM Section please contact OPM team at: opm@destinationmaternity.com

Mandated Suppliers

Zipper Suppliers

Destination Maternity requires high quality zipper suppliers who are committed to providing ‘best in category’ components to our manufacturing partners around the world. These Mandated Supplier’s products are fully tested to meet high performance and all regulatory requirements therefore no additional testing is necessary during preliminary and pre-production stages. In addition, these suppliers offer real time technical assistance regarding functionality, design, performance and capabilities. Please refer to the list below for the Mandated Zipper Suppliers per brand:

A PEA IN THE POD:

- YKK

MOTHERHOOD, MIMI & JESSICA SIMPSON:

- IDEAL
- TALON
- LIRUI

NOTE: Generic Brand Zippers are not permitted. In the rare case where a generic zipper is permitted it is the exception and the generic zipper will require full testing, at Intertek Testing lab under the DM Zipper Test Protocol. The Zipper Test Report must be submitted to the Testing Team for review and approval before purchasing any generic zippers for production.
